

### CERTIFICATION OF COMPLIANCE

1. Product covered by this certificate - Board game called Hide & Seek, UPC 793573 591456.
2. We hereby certify that the product described herein complies with CPSIA Section 101 lead-content limits in childrens' products, and CPSIA section 108 prohibiting the presence of phthalates in children's products.
3. The subject product is imported by:

LemonTree Games, LLC  
20436 Fieldstone Crossing Dr.  
Goshen, IN 46528  
(574) 875-0846
4. Information regarding the testing and analysis of this product can be obtained by contacting:

Bryce Lemon  
20436 Fieldstone Crossing Dr.  
Goshen, IN 46528  
(574) 875-0846  
(260) 350-4364 cell  
blemon@lemontreegames.com
5. The subject product was manufactured in March 2009, in Wuxi, People's Republic of China.
6. Component testing performed by Intertek labs in January 2009 showed **no detectable lead or phthalates in the materials used to manufacture the subject game.** Printing inks used in the manufacture of the gameboard, playing cards, container (box) and instructions were certified lead-free by Sakata Inx in July 2008. Inks used in the printing of the dice were certified lead-free by SGS laboratories in November 2007. Data sheets are available on request.
7. Determination of compliance is conducted by analysis of product components, consistent with CPSC General Counsel advisory letter written by Cheryl A. Falvey, dated 15 January 2009.
